

CAREER LAUNCHER: COME UP TO MY ROOM 2019

OPPORTUNITY DESCRIPTION

The Gladstone Hotel and the Centre for Emerging Artists and Designers are excited to announce the Come Up To My Room Career Launcher taking place between January 17 and January 20, 2019 at the Gladstone Hotel.

Come Up To My Room (#CUTMR) invites OCADU graduates to propose a site-specific, immersive installation that stimulates the imagination and encourages discussion and dialogue between contributors and visitors alike. Successful applicant(s) will transform a hotel room into a complete immersive, “otherworldly” environment art installation. In addition to the exhibition opportunity, the Career Launcher recipient will also receive a production grant from the CEAD.

Framed within the backdrop of the historic 130-year-old Gladstone Hotel, CUTMR is an alternative design exhibition that provides a platform for experimentation outside the norms of art and design, at the edges between intention and interpretation. Freed from the constraints of traditional practice, CUTMR encourages spatial exploration that engages our senses, our memories and our perceptions of reality.

OCAD U and The Gladstone Hotel are committed to promoting substantive equality for equity-seeking groups that are under-represented in the creative sector. We encourage applications from OCAD U art and design graduates of equity-seeking communities including racialized and Indigenous persons, persons with disabilities, and persons of all sexual orientations and gender identities/expressions.
