FILIPINO AMERICAN & FILIPINO CANADIAN - A CONVERSATION WITH DR. YEN LE ESPIRITU

October 9, 2015 7:30 pm to 9:00 pm
Room 230, 100 McCaul Street [OCAD University]

Please join us as we learn more about the differences and similarities between Filipinos in Canada and Filipinos in the United States. Conely de Leon (PhD student at York University) and Jennilee Austria (youth settlement worker and writer) will interview Dr. Yen Le Espiritu, Professor of Ethnic Studies at the University of California, San Diego. Dr. Espiritu has been at the forefront of research on Filipino-American and Pan-Asian experiences for more than two decades. Her writings on Filipinos/as in San Diego, in particular, have provided a vivid portrait of how youth, gender, class and race affect the lived realities of these communities. This event is free and open to everyone. Come with your questions, so that we may have fruitful conversation and debate.

This event is co-sponsored by OCAD University's Faculty of Liberal Arts and Sciences & York University's Centre for Asian Research (YCAR).
