## 2015 GRADUATE CEREMONY

Join INVC in celebrating our 2015 graduates!

## MADESKIMO - Live DJ set

Madeskimo is the project of Geronimo Inutiq - electronic music producer, DJ and multimedia artist. Originally from Iqaluit, his musical explorations are at the crossroads of different traditional and modern cultural currents - creating an experimental platform through which he processes sounds of the world. Madeskimo's music draws on the use of instruments, digital and analog synthesizers, as well as the remixing and processing of samples from a large variety of sources—including traditional inuit, aboriginal, and modern electronic, and urban music—in order to create an experimental platform. He has performed in many festivals internationally and his work has been exhibited in group exhibitions in Canada and Switzerland. He has studied anthropology and sociology at Concordia University, and is an active member of the Aboriginal community in Montreal.

## Live paint with AME PAPATSIE

Ame Papatsie is an award winning Inuit artist, animator, and story teller from Pangnirtung, Nunavut, who creates artworks inspired by his cultural heritage. Famous for his perfected technique of two handed painting, Ame is one of the most exciting live painting artists in Canada.

## POWWOW BOOTCAMP

Powwow Boot Camp allows participants to learn or practice skills in Indigenous dance forms of Powwow and Onkehon:we (Iroquois) social dances. These dances are performed in combination with exciting and challenging cardiovascular/physical conditioning exercises, contemporary dance, as well as incorporating the Muscle and Bone system.

Focusing on body and spatial awareness through full-bodied movement sequences Powwow Boot Camp targets core strength in addition to muscularity of the legs. Move, dance, sweat, energize your body-mind-spirit, while listening to fabulous music in a social and invigorating environment.

**POWWOW BOOT CAMP IS DESIGNED FOR PEOPLE AGES 16 & UP. PLEASE WEAR WORKOUT CLOTHING AND MAKE SURE TO BRING PLENTY OF WATER FOR HYDRATION.**
