

Resilience Design Lab

**Canadian Heritage (PCH)
Action Research & Knowledge Transfer Project**

**Final Report
April 2017**

TABLE OF CONTENTS

1. Introduction	5
2. Methodology.....	6
2.1 <i>Transdisciplinary Toolkit.....</i>	6
3. Collection & processing of signals of change	8
4. Workshop # 1	12
5. Scenario development.....	18
6. Workshop #2.....	19
7. Strategic Perspectives	22
<i>Introduction.....</i>	23
<i>Evolving Family Structures and Identities.....</i>	24
<i>Evolution of Work and Identities.....</i>	29
<i>Environment and Identity.....</i>	33
<i>Growing Tension Between Place-Based Identities</i>	35
<i>Erosion of the National Identity.....</i>	39
<i>Forced Identity.....</i>	41
<i>The Emergence of Complex Multi-layered Identities</i>	43
8. Knowledge transfer	48
<i>Joint Team performance.....</i>	48
<i>Personal reflection essays.....</i>	48
<i>Limitations of this project.....</i>	51
<i>Expectations of immediate utility.....</i>	51
<i>Time allocation for Workshop #2</i>	52
9. Recommendations & Next Steps	52
<i>Participation of senior decision makers in workshops.....</i>	52
<i>Planning remote collaborations.....</i>	52
<i>Practicing newly acquired skills.....</i>	53
<i>Building upon this sample project.....</i>	53
10. Annexes	54
<i>Annex 1 - Interfaces of repository of collected signals.....</i>	55
<i>Annex 2 - Initial Trends Workbook</i>	56
<i>Balkanization in politics</i>	56
<i>Canada's growing cultural mosaic</i>	56
<i>Aboriginal population growth rate.....</i>	58
<i>Shifting patterns of mother tongue amongst Canadians.....</i>	59
<i>Religious diversity in Canada.....</i>	61
<i>Decolonization gaining momentum</i>	62
<i>Alt-right mainstreaming.....</i>	63
<i>Labour displacement in an AI future</i>	64
<i>Post Resource Economy</i>	65
<i>Diversity Fallacy.....</i>	67
<i>Diversity Beyond Ethnicity</i>	68
<i>Postnational Identity</i>	69

Vanishing Landscapes	70
Reviving the Frontier	71
Wellness by Nature.....	72
Redistribution	73
Covert Racism	75
Modern Storytellers.....	76
Micro Mosaic.....	77
Aboriginal languages increasingly seen as key to successful decolonization	78
Climate shocks and environmental degradation	79
Change of the Guards	79
Shifting definitions.....	80
Rise of the post-national state	81
Re-Traditionalization.....	81
Refugee Canada Refuge.....	82
Decolonialism Interrupted	83
Fashion Police	85
Canadian Heros	86
FNMI Women in Leadership.....	87
Movement to decolonize Indigenous communities is gaining momentum.....	88
Buy Me.....	89
Open Borders: The international migration movement.....	89
Open for Business: Economic Immigration.....	90
Anthropomorphizing Robots	91
Greying Nation.....	92
People suing government and corporations for inaction on major issues.....	93
Capitalism Fail	94
Integrating the Majority	95
Renewing our Environmental Reputation.....	96
On the rise: allyship of the marginalized.....	97
Diversity: a good business case	98
Anti-immigration: a different form of racism.....	99
Rebooting China-Canada Relations	100
Increasing and political will to promote and protect French language in Canada	101
French language is losing ground in Canada	102
Coding: the literacy of the 21st century?.....	103
More promotion of Indigenous languages but fewer speakers.....	103
Growing place for Indigenous peoples history in provinces' school curriculum (and French-English history for some).....	104
Culture increasingly a preferred means of civic engagement.....	105
Camping for Refugee Integration	106
Move to "indigenize" communities.....	107
Struggle for Government to Support Societal Cohesion, respond to social change.....	108
Institutions Struggle to Embrace Diversity	109
Diversity in media still lacking behind changes in society	109
Indigenous Identity Strengthening.....	110
Global citizens care about and identify with issues and places across the globe.....	111
Unsettling English settlers.....	112
Society's biggest challenges are global (wicked) problems.....	113
Strengthening Muslim affiliations in Canada and with Canada.....	113

Greater awareness of capacities amongst people living physical and cognitive activity limitations.....	114
<i>Annex 3 - List of participants in Workshop #1</i>	<i>116</i>
<i>Annex 4 - List of participants at Workshop #2</i>	<i>118</i>
<i>Annex 5 - The Scenarios.....</i>	<i>121</i>
Scenario 1: Broken Crown	122
Scenario 2: N3~	132
Scenario 3: Winter Has Come (Don't be a Loser)	140
Scenario 4: Voices of Fire	150
<i>Annex 6 - SP Development Framework.....</i>	<i>159</i>

Table of Figures

Figure 1 - Distribution of collected signals (Note: some signals have multiple categories).....	9
Figure 2 - Twelve key drivers used in Workshop #1	11
Figure 3 - Picture of voting sheet from Workshop #1.....	14
Figure 4 - Results of participants voting on critical uncertainties of drivers	14
Figure 5 - Joint Team bonding activity during lunch break at Workshop 1	17
Figure 6 - Team photo of the Joint Team after the first workshop in Gatineau.	17
Figure 7 - Top implications identified by the 4 groups.....	21
